

Amaray – Unsold Lots

Lot No	Description
2	Waldorf Technik CNC triple lane 12 + 12 Hinge Lid automatic handling unit serial No: 10-785-500-000 with IML Automation Robot Handling system, with 3 lane camera imaging system, 18 lid stack magazines, lid stacker unit , ATS -Tanner US-2000 AD Unique ultrasonic bander , S/N 10170, 3000mm x 410mm exit flighted PU belt conveyor (2018), Waldorf Technik CNC banded lid pick/place Robot, Waldorf Technik power/control cabinet, s/n 10-785-500-000 and Mevisco image processing system with 2 Dell monitors and 3 overlane cameras (2018). Please note: A mandatory lift out charge of £1,350.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
3	Beck Packautomaten MP240XP overwrapper Serial No: 07180838 (2018). Please note: A mandatory lift out charge of £250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
9	Steel fabricated intermediate storage bin with Colortronic CSK 30 hopper loader 700mm X 720mm X 2140mm (day bin No2). Please note: A mandatory lift out charge of £200.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
11	Ferromatik Milacron K-Tec 400S CNC Plastic Injection Moulding Machine Serial No. 570049 (2000) with 4000kN clamping force, International dimensions 4000(H) x 2495, injection pressure 1575 Bar, 780mm (W) x 780mm (W) DBTB, 1583cm/3 stroke volume and Colormatic Hopper loader. Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
23	Ferromatik Milacron K400-S CNC plastic injection Moulding Machine Serial No. 570029 with 4000kN clamping pressure, International dimensions 4000(H) x 2495, injection pressure 2057 Bar, 760mm (W) x 750mm (W) DBTB, 1213cm/3 stroke volume and Colortronic hopper loader. Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
24	GMAT Model M53 CNC automated DVD case twin arm picking/stacking system with case closure unit, overspill cage position, delivery conveyors and wheeled cage positioning system. Please note: A mandatory lift out charge of £1,500.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).

27	GEI Europack Collator Wrapper Bander Serial No. 21113 , plant No 10745 with delivery conveyor to palletiser. Please note: A mandatory lift out charge of £150.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
28	SCM Handling twin pallet robot palletiser, serial No. BC4272-SI4478-10.04-B07, plant No 10964 with freestanding control panel and SSD Drives LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
29	Ferromatik Milacron K-Tec 400S CNC Plastic Injection Moulding Machine Serial No. 570058 (2000) 4000kN clamping pressure , international dimensions 4000(H) x 2495, injection pressure 1575 Bar, stroke volume 1583 CM/3, 750mm x 750mm DBTB, with Colortronic CSK30 Hopper Feeder and Colortronic CSK1 dosing unit. Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
30	GMAT Model M53 CNC automated DVD case twin arm picking/stacking system with case closure unit, overspill cage position, delivery conveyors and wheeled cage positioning system. Please note: A mandatory lift out charge of £1,500.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
33	SCM Handling twin pallet robot palletiser, serial No. BC4272-SI4478-10.03-B06, plant No 10964 with freestanding control panel and Parker LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
34	Ferromatik Milacron K 400-S CNC Plastic Injection Moulding Machine Serial No. 570034 (1999) 4000kN clamping pressure, international dimensions 4000(H) x 2495, injection pressure 1665 bar, stroke pressure 1583 cm/3, 750mm x 750mm DBTB with Colortronic CSK30 Hopper Feeder and Colortronic CSK1 dosing unit. Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).

35	GMAT Model M53 CNC automated DVD case twin arm picking/stacking system, serial No P24 with case closure unit, overspill cage position, delivery conveyors and wheeled cage positioning system. Please note: A mandatory lift out charge of £1,500.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
40	SCM Handling Twin Pallet Robot Palletiser Serial No. BC4272-SI4478-10.02-B05 with freestanding control panel SSD Drives LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
42	Ferromatik Milacron K 400-S CNC Plastic Injection Moulding Machine Serial No. 570012 (1998) 4000KN clamping force, international dimensions 4000(H) x 2495, injection pressure 2057 bar, stroke volume 1213 cm ³ /3, 750mm x 750mm DBTB with Colortronic CSK30 Hopper loader. Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
43	Mechatronic Solutions Type MSP 7 automated DVD case twin arm picking/stacking system, plant No 10293 with case closure unit, overspill cage position, delivery conveyors and wheeled cage positioning system. Please note: A mandatory lift out charge of £1,500.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
44	CG Automation Bobcat top/bottom case welding station, serial No. 280599 (1999), plant No 10427 with 4.5m c 190mm infeed/bypass belt conveyor, 1060mm x 140mm infeed conveyor, overhead transfer unit, 4.6m x 190mm outfeed conveyor. Please note: A mandatory lift out charge of £350.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
45	Gima 888 DVD multi case wrapper, serial No 88852F0 (2002) with film unwind unit, 2 Leister hot air units. Please note: A mandatory lift out charge of £250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
46	SCM Handling Twin Pallet Robot Palletiser Serial No. BC4272-SI4478-04.01-C11 with freestanding control panel SSD Drives LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).

47	Husky H400 RS115/100 CNC plastic injection moulding machine ,serial No. 260096 (2003) with 400 tonne clamping force, hydraulic pressure 180 bar max, Beckhoff control panel, Colortronic CSK30 Hopper loader and Colortronic CSK1 dosing unit, (Note: for spares only. Shutter cylinder, accumulators and hydraulics missing). Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
51	SCM Handling Twin Pallet Robot Palletiser Serial No. BC4272-SI4478-06.02-C13 with freestanding control panel Parker LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
52	Husky H400 RS115 1200 CNC plastic injection moulding machine Serial No. 2640094 (2003) with 400 tonne clamping force, hydraulic pressure 180 bar, 930mm x 930mm DBTB Colormatic CSK30 Hopper loader and Colortronic CSK1 dosing unit. Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
53	GMAT Model M85 CNC Traversing Pick & Place Robot, serial No. P112 Year of Manufacture 2003 with twin Arm x 4 Case Depositor, Flip & Close Station, 4 Case Pivot Turn units, 3m powered Belt Conveyor with Diverter, Cross Conveyor, CNC Traversing Pick & Place Robot with approx 9m Travel , 32 case vacuum pick/deposit head unit, 12 Position Case Accumulator station, freestanding control panel with Siemens Simatic LCD control. Please note: A mandatory lift out charge of £2,000.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
56	SCM Handling Twin Pallet Robot Palletiser Serial No. BC4272-SI4478-06.01-C12 with freestanding control panel Parker LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).

58	GMAT Model M85 CNC Traversing Pick & Place Robot, serial No. P113 Year of Manufacture 2003 with twin Arm x 4 Case Depositor, Flip & Close Station, 4 Case Pivot Turn units, 3m powered Belt Conveyor with Diverter, Cross Conveyor, CNC Traversing Pick & Place Robot with approx 9m Travel , 32 case vacuum pick/deposit head unit, 12 Position Case Accumulator station, freestanding control panel with Siemens Simatic LCD control. Please note: A mandatory lift out charge of £200.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
60	GIMA 897 DVD multi case wrapper, serial No 89740A0 (2003) with case flip station, film unwind unit, 2 Leister hot air units and roller outfeed conveyor. Please note: A mandatory lift out charge of £250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
61	SCM Handling Twin Pallet Robot Palletiser Serial No. BC4272-SI4478-12.02-B09 with freestanding control panel Parker LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
64	GMAT Model M62 CNC Traversing Pick & Place Robot, serial No. P77 (2002) with twin Arm x 4 Case Depositor, Flip & Close Station, 4 Case Pivot Turn units, 3m powered Belt Conveyor with Diverter, Cross Conveyor, CNC Traversing Pick & Place Robot with approx 9m Travel , 32 case vacuum pick/deposit head unit, 12 Position Case Accumulator station, freestanding control panel with Siemens Simatic LCD control. Please note: A mandatory lift out charge of £2,000.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
65	GIMA Type 884 DVD CNC Rotary Thermal Welding Machine Serial No. 88461CO (2002) with flip unit and "GIMA 888 multi case wrapper, serial No 88802EO (2002) with film unwind unit, 2 Leister hot air units and roller outfeed conveyor. Please note: A mandatory lift out charge of £500.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).

68	GMAT Model M62 CNC Traversing Pick & Place Robot, serial No. P83 (2002) with twin Arm x 4 Case Depositor, Flip & Close Station, 4 Case Pivot Turn units, 3m powered Belt Conveyor with Diverter, Cross Conveyor, CNC Traversing Pick & Place Robot with approx 9m Travel , 32 case vacuum pick/deposit head unit, 12 Position Case Accumulator station, freestanding control panel with Siemens Simatic SCD1297 LCD control. Please note: A mandatory lift out charge of £2,000.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
70	SCM Handling single Pallet Robot Palletiser Serial No. BC4272-SI4478-01.02-C02 with freestanding control panel Parker LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
72	GMAT Model M62 CNC Traversing Pick & Place Robot, serial No. P83 (2002) with twin Arm x 4 Case Depositor, Flip & Close Station, 4 Case Pivot Turn units, 3m powered Belt Conveyor with Diverter, Cross Conveyor, CNC Traversing Pick & Place Robot with approx 9m Travel , 32 case vacuum pick/deposit head unit, 12 Position Case Accumulator station, freestanding control panel with Siemens Simatic SCD1297 LCD control. To see a video of this item please click here . Please note: A mandatory lift out charge of £2,000.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
74	SCM Handling single Pallet Robot Palletiser Serial No. BC4272-SI4478-02.04-D04 with freestanding control panel SSD Drives LCD panel. To see a video of this item please click here . Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
76	GMAT Model M62 CNC Traversing Pick & Place Robot, serial No. P76 (2002) with twin Arm x 4 Case Depositor, Flip & Close Station, 4 Case Pivot Turn units, 3m powered Belt Conveyor with Diverter, Cross Conveyor, CNC Traversing Pick & Place Robot with approx 9m Travel , 32 case vacuum pick/deposit head unit, 12 Position Case Accumulator station, freestanding control panel with Siemens Simatic SCD1297 LCD control. Please note: A mandatory lift out charge of £2,000.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
78	SCM Handling single Pallet Robot Palletiser Serial No. BC4272-SI4478-01.03-D01 with freestanding control panel Parker LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).

80	GMAT Model M62 CNC Traversing Pick & Place Robot, serial No. P63 (2001) with twin Arm x 4 Case Depositor, Flip & Close Station, 4 Case Pivot Turn units, 3m powered Belt Conveyor with Diverter, Cross Conveyor, CNC Traversing Pick & Place Robot with approx 9m Travel , 32 case vacuum pick/deposit head unit, 12 Position Case Accumulator station, freestanding control panel with Siemens Simatic SCD1297 LCD control. Please note: A mandatory lift out charge of £2,000.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
81	GIMA Type 884 DVD CNC Rotary Thermal Welding Machine Serial No. 88430AO (2001) with flip unit and "GIMA 888 multi case wrapper, serial No 88822E0 (2001) with film unwind unit, 2 Leister hot air units and roller outfeed conveyor. Please note: A mandatory lift out charge of £500.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
82	SCM Handling single Pallet Robot Palletiser Serial No. BC4272-SI4478-03.02-B10 with freestanding control panel Parker LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
83	Ferromatik Milacron Ktec 400S CNC Plastic Injection Moulding Machine Serial No: 570084 (2001) with 4000kN clamping force, international dimensions 4000 (H) x 2495, 1665 bar injection pressure, stroke volume 1583,cm ³ /3, 750mm x 750mm DBTB and Colormatic CSK30 Hopper loader. Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
85	GIMA 888 DVD multi case wrapper, serial No 88832E0 (2002) with film unwind unit, 2 Leister hot air units and roller outfeed conveyor. Please note: A mandatory lift out charge of £75.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
93	GMAT Model M85 CNC Traversing Pick & Place Robot, serial No. P111 Year of Manufacture 2003 with twin Arm x 4 Case Depositor, Flip & Close Station, 4 Case Pivot Turn units, 3m powered Belt Conveyor with Diverter, Cross Conveyor, CNC Traversing Pick & Place Robot with approx 9m Travel , 32 case vacuum pick/deposit head unit, 12 Position Case Accumulator station, freestanding control panel with Siemens Simatic LCD control. Please note: A mandatory lift out charge of £2,000.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).

96	SCM Handling Twin Pallet Robot Palletiser Serial No. BC4272-SI4478-04.02-D07 with freestanding control panel and Parker LCD panel. Please note: A mandatory lift out charge of £850.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
99	Hekuma Automation CNC Traversing 2 x 2 Case DVD Tray Robot, plant No 10397, 2 x 2 Head Case Deposits Stacker, Bander and Taper Station (2003) and PTM Forderanlageer 3.3m x 400mm outfeed belt conveyor, serial No B87172101. Please note: A mandatory lift out charge of £950.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
102	Husky H600 RS135/115 CNC Plastic Injection Moulding Machine Serial No. 3061084 (2005) with Polaris CNC Digital Read Out, hydraulic pressure 18.0 mega pascal 9MPa), DBTB 1030mm x 1030mm Morreto CF25 F50, hopper loader serial No 04 07881 and Movacolor dosing unit (Note: moulder has an IPC fault). Please note: moulders will need guards fitting. Please note: A mandatory lift out charge of £2,650.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
103	GMAT M111 DVD Automation traversing Beam take-off Robot, serial No P178 (2005) with dual 8 Case Pick & Place arms, 4 Case closing units, 9m x 200mm transfer conveyor with 4 x closed case transfer units, 16 Accumulation Containers Complete with Travelling Beam Pick & Place Robot with 32 case transfer head, Accumulation Conveyor and Single Case Exit Conveyor. Please note: A mandatory lift out charge of £2,000.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
105	Sotempack Tirafilm 300 Collator / Wrapper / Bander Serial No. 24081 (2004) with horizontal to vertical flip unit and 2 x hot air units. Please note: A mandatory lift out charge of £250.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
116	Europack Collator Wrapper Bander Serial No. 00.10637 (2000), plant No 10718
119	GIMA 884 DVD case wrapper/welder Serial No. 88432C0 (2002) with Siemens Simatic TP27 control unit (incomplete, spares only). Please note: A mandatory lift out charge of £75.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).

120	Gima 888 DVD multi case wrapper, serial No 88823H0 (2002) with 2 Leister hot air units. Please note: A mandatory lift out charge of £75.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
129	Coolmation GRP buffer tank (Buffer Tank 2/1) with 4 x 15kW electric pump units, 8 valves, Belimo LF230 spring return actuator, stainless steel Cobra cyclone separator and pipework to Cooler/dryer disconnection point (A Risk Assessment and Method Statement will be required for review and approval prior to the removal of this lot). Please note: A mandatory lift out charge of £350.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
130B	Swegon TD80W/VEE -255/06D/2.0/80/2xDN80/S/D 10 fan Vee configuration dryer/cooler, serial No C54501D (2015). Disconnection at first joint from cooler (A Risk Assessment and Method Statement will be required for review and approval prior to the removal of this lot). Please note: A mandatory lift out charge of £950.00 plus VAT will be applied to your invoice for the disconnection, lifting out and placing of this lot on to your vehicle (the purchaser will be required to secure the item to their vehicle prior to leaving site).
146	IPS Crossflow-AMF CFAMF300CEXT5 advanced media filter, serial no 21852-008 (2012)
217	Purpose built DVD case inspection stand
218	Steel fabricated 4 station reel stand
236	3 purpose built DVD case inspection stands (red)
248	Steel fabricated 8 station reel stand
249	3 purpose built DVD case inspection stands (yellow)
254	12 station mobile accumulator bottle storage unit
346	A large quantity of Ferromatik 400t moulder spares, to include motors, tanks, clamp cylinders and pumps
347	Milacron EW 50 EL Plast gearbox, Oswald 1FQD13.3-4WI-55kW-B5-RA-CN-So asynchronous motor and 3 assorted hydraulic rams
359	PMS Systems HRC-CD22 hot runner controller, serial No 004878-001 (2000)
360	PMS Systems HRC-CD22 hot runner controller, serial No 004879-001 (2000)
361	PMS Systems HRC-CD22 hot runner controller, serial No 005891-001 (2000)
363	PMS Systems HRC-ED22 hot runner controller, serial No 004344-001 (1999) with cables
368	PMS Systems HRC-ED22 hot runner controller, serial No 005889-001 (2001) with cables
369	PMS Systems HRC-ED22 hot runner controller, serial No 004877-001 (2000) with cables
373	2, PMS Systems HRC-ED22 hot runner controllers, incomplete spares only
406	Liebherr Comfort laboratory single door refrigerator, 1840mm high overall
430	7 assorted chairs
434	Apollo AUR600 larder fridge, 780mm x 700mm x 1890mm

435	Apollo AUR600 larder fridge, 780mm x 700mm x 1890mm
444	Light oak effect 2.4m x 2.4m curved reception counter/desk unit with 2 matching 3 drawer pedestals, 2 drawer pedestal and swivel chair (PLEASE NOTE: LOCATED ON FIRST FLOOR)
459	Cherry effect 1200mm x 600mm office table with 2 drawer pedestal, cherry effect 1.2m diameter circular table, 3 steel 4 drawer filing cabinets, 1 fabric upholstered swivel chair and 4 fabric upholstered side chairs (PLEASE NOTE: LOCATED ON FIRST FLOOR)
466	Cherry effect 1200mm x 600mm office table, cherry effect 1.2m diameter circular table and 6 blue fabric upholstered side chairs (PLEASE NOTE: LOCATED ON FIRST FLOOR)
467	Cherry effect 1200mm x 600mm office table, cherry effect 1.2m diameter circular table, cherry effect 1600mm x 500mm x 700mm sliding door cabinet, steel 4 drawer filing cabinet, black fabric upholstered swivel chair and 4 blue fabric upholstered side chairs (PLEASE NOTE: LOCATED ON FIRST FLOOR)
486	Cherry effect 1200mm x 160mm office table and matching 650mm diameter occasional table (PLEASE NOTE: LOCATED ON FIRST FLOOR)
489	4 assorted fabric upholstered swivel chairs (PLEASE NOTE: LOCATED ON FIRST FLOOR)
506	4 section cherry effect D-end stand-up meeting table 4800mm x 1200mm with 5 steel 400mm risers and matching 2 drawer pedestal (PLEASE NOTE: LOCATED ON FIRST FLOOR)
