1: Conditions

These conditions, together with the special conditions (if any) of which the offer or is notified ("Special Conditions"), are the only terms and conditions subject to which Lambert Smith Hampton (the "Agent") as agents for the vendor (the "Vendor"), will invite offers and sell goods (the "Goods") by private treaty to a purchaser (the "Buyer"). Offering to purchase any goods shall be deemed to be an acceptance of these conditions.

2: Application of Terms

- 2.1 Subject to any variation under condition 2.3 the contract will be on these conditions together with the Special Conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document).
- 2.2 No terms or conditions endorsed upon, delivered with or contained in the Buyer's purchase order, confirmation of order, specification or other document will form part of the contract simply as a result of such document being referred to in the contract.
- 2.3 These conditions apply to all the Agent's sales and any variation to these conditions and any representations about the goods shall have no effect unless expressly agreed in writing and signed by a director of the Agent.
- 2.4 Any notification by the Agent that the Vendor is willing to sell goods by private treaty is an invitation to treat. Each offer for goods by the Buyer to the Agent shall be deemed to be an offer by the Buyer to purchase goods subject to these conditions and the terms of the Special Conditions or such other special conditions offered by the Buyer and expressly agreed by the Agent in writing.
- 2.5 No offer made by an offer or shall be deemed to be accepted by the Agent until an oral acceptance or written acknowledgement is issued by the Agent. The issue of the oral acceptance or written acknowledgement by the Agent marks the conclusion of a contract of sale between the Vendor and the Buyer.
- 2.6 The Buyer must ensure that the terms of its offer and any applicable specification are complete and accurate.

3: Inspection and Description

- 3.1 Buyers have a responsibility to make their own inspection and investigation of the goods at the time(s) and at the premises specified, and to satisfy themselves on all matters affecting the goods, and to inspect and satisfy themselves prior to the sale, as to the condition and description of the goods, its fitness and suitability for purpose.
- 3.2 Goods are believed to be correctly described but all goods are sold with all faults, imperfections and errors of description.
- 3.3 Neither the Vendor nor the Agents, their servants or agents makes or gives, nor has any person in the employment of the Agents any authority to make or give, any representation or warranty in relation to any goods.

4: Limitation of Liability

- 4.1 Neither the Vendor nor the Agents, their servants or agents shall be liable for any loss or damage suffered by the Buyer arising out of or in connection with any defects or deficiencies in any of the goods purchased, errors of description in the auction catalogue, any mis-statements as to any matter affecting the goods or the failure of the goods to fulfill the functions for which they were intended
- 4.2 The Agent's and the Vendor's total liability for breach of contract or negligence is limited to the price paid for the goods.
- 4.3 Neither the Agents nor the Vendor shall be liable for any indirect or consequential loss or damage (whether for loss of profit, loss of business or otherwise) incurred by the Buyer whatsoever.
- 4.4 Nothing in these conditions excludes or limits the liability of the Agents or Vendor for death or personal injury caused by their negligence or fraudulent misrepresentation.
- 4.5 Nothing in these conditions shall prejudice the statutory rights of a consumer who shall be bound by these conditions only insofar as they are consistent with such statutory rights.

5. Conduct of Sale

At their discretion the Agent may require payment of a deposit to the Agent prior to and/or during the removal which will be refunded on the removal being completed to the Agent's satisfaction. If the Buyer refuses to deposit such monies, the Vendor or the Agent may refuse the Buyer access to the premises for the purposes of the removal of the goods and/or rescind the sale in which event the provisions of Condition 12 will apply. The Agent reserves the right to stop the removal of the goods by a Buyer, his agents or employees if it appears to the Agent or its agents or employees that the removal is being carried on in an unsafe or unsatisfactory way and/or rescind the sale in which event clause 12 will apply.

The buyer consents to such a resale on the Agent's 'Conditions of Business' applicable at the time of resale. Neither the Agent nor the Vendor shall be liable to account to the Buyer in the event of a resale at a higher price than the price contract to be paid by the Buyer
- (d) The Buyer will be responsible from the specified time for final removal for all losses and expense incurred by the Vendor and/or the Agent including storage, security and removal expenses, the costs of re-selling or disposing of the Goods and sales commission.
